

Note: The video does some simplifications of the models. For example, it does not include the weights and their role in the discussion on LSTM and GRU. We will discuss the exact details in the lecture. Additionally, a nice written version including all details is at:

https://colah.github.io/posts/2015-08-Understanding-LSTMs/

Pre-class activity

Execute the Week 07 Lab/Tute code and be ready for the discussion.

Notebook in: Week 7 - During Class
